MISSION 9388

“Is evangelical theology about marketing God to our contemporary culture, or is it our task to stand in continuity with orthodox biblical conviction—whatever the cost?”

—Albert Mohler

MISSION 938

“Therefore pray the Lord of the
harvest to send out laborers into
His harvest.”

—Matthew 9:38

MISSION 938

Mission938 is about...

- Praying to the Lord of the harvest
- Seeing the fields are ready for harvest
- Recognizing our role in the harvest
- Partnering with other laborers in the field
- Being sent out into the harvest
- Laboring by faith for the harvest
- Inviting the harvest to come to Jesus all the while knowing that the harvest belongs to Him
- Making disciples of the harvest who then want to make *Mission938* their lifestyle as well!

MISSION 938

“An authentic disciple, on the other hand, does not need to be prodded to replicate. His passion is the same as that of the Holy Spirit, and he is constantly developing the mind of Christ. He finds practical ways to reach out to family, friends, community, and nation. Some disciples will even come forward and speak of a calling to reach neighboring people groups. Without any special training courses, an authentic disciple has the heart of a disciple maker.”

—Dr. Charles Fielding in his book *Preach and Heal*
